

# Act in the integrity of the public sector

---

Good government relies on public officials speaking up when they witness, or otherwise become aware of serious wrongdoing in the public sector.

When you report serious wrongdoing, you may be making a public interest disclosure (PID).

When you make a PID, you will be protected from detrimental action.

Access your agency public interest disclosure policy for more information. You can also refer to the NSW Ombudsman's guidelines.

## NSW Ombudsman PID guidelines
