

How to make a public interest disclosure

It is in the public interest for all of us to speak up and report serious wrongdoing.

If your report is a public interest disclosure, the *Public Interest Disclosures Act 2022* provides you with protection from detrimental action.

You can report serious wrongdoing to:

- your manager
- a disclosure officer for your agency
- the head of your agency
- an integrity agency
- a head of agency or a disclosure officer of another agency.
