

Managers and the PID Act

Managers have a key role under the Public Interest Disclosures Act 2022. You:

- can receive disclosures from staff you supervise
- must communicate reports received to a disclosure officer, and
- must not discuss reports you receive with anyone except a maker of the PID or a disclosure officer.

Make sure you are able to recognise information from a staff member that may be a public interest disclosure and know what you need to do.

If you or someone you work with would like confidential and independent support before or after making a report you can contact the Whistleblower Support Team at the NSW Ombudsman on 1800 716 766 or whistleblowersupport@ombo.nsw.gov.au
