

Speak up for your community

Do you know what to do if you witness or become aware of serious wrongdoing?

Speaking up and reporting serious wrongdoing supports the good governance of NSWALC and LALCs.

Certain people can report serious wrongdoing by making a Public Interest Disclosure (PID).

Who can make a PID?

- Staff members or councillors of NSWALC.
- Staff members, voting members and board members of LALCs.

Speak up and protect the integrity of your community.
